

HERB BASIL BELLISIMO

BELLISIMO is a Genovese type basil that is suitable for both potted and cut production. **BELLISIMO** produces highly uniform, dark green leaves throughout the entire plant with high aromatic qualities. Short internodes are a key feature of **BELLISIMO** creating a compact, bushy plant well suited to sleeving for pot production. High leaf numbers with good leaf thickness means **BELLISIMO** is a high yielding variety and can be grown year round.

VARIETY FEATURES

- Dark green leaf
- Slightly cupped leaf
- Compact and upright plant

AGRONOMIC CONSIDERATIONS

Suitable for hydroponic production systems

PACK SIZES

100M, 1MM, 5MM
