

CHILLI CAYENNE JET

A high quality Cayenne chilli for growers that require a slightly larger fruit size, **JET** is an outstanding variety producing classy fruit. The plant of **JET** has a vigorous, easy growing habit and will set fruit continually with a medium-late maturity and high yield.

JET produces smooth tapered fruit with a glossy appearance and thick walls which contribute to the excellent shelf life. With high pungency levels, Cayenne chillies are popular in a range of cuisines.

VARIETY FEATURES
