

# GREEN PEA GREENFEAST

For main crop production, **GREENFEAST** is a long time market standard for the production of podded peas. Highly adaptable, **GREENFEAST** will perform well in most growing regions of New Zealand and has a wide sowing window.

**GREENFEAST** produces high yields of pods of good colour and averaging eight peas per pod with a very sweet taste. Excellent field tolerance to fusarium.

## VARIETY FEATURES

- Garden pea variety
- Pod length 8-9cm
- Concentrated pod set

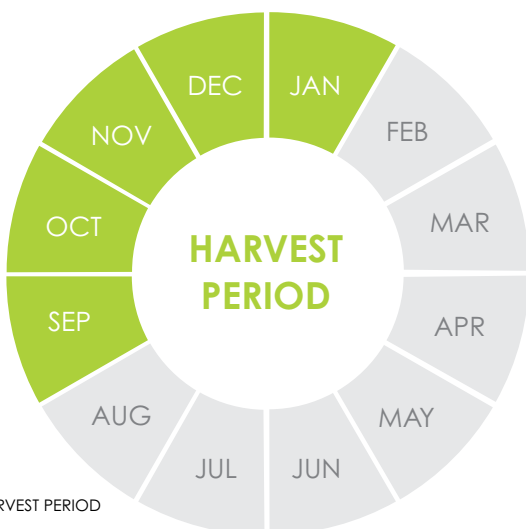

## AGRONOMIC CONSIDERATIONS

- Matures in approximately 14 weeks from sowing

## PACK SIZES

1KG, 5KG, 25KG

HARVEST PERIOD

The information provided here is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions, including cultural/management practices, climate, soil type and geographic location.
