

GREEN CABBAGE CONQUEROR

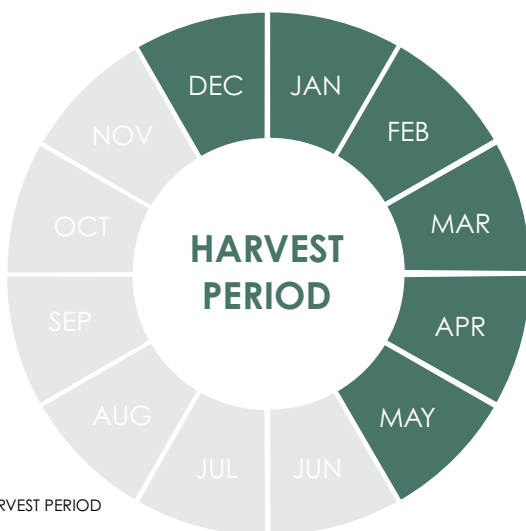

CONQUEROR is a high quality drumhead cabbage with intermediate resistance to club root for warm season production.

CONQUEROR produces a medium sized head of green colour with exceptional internal qualities.

A key feature of this variety is the soft, sweet flavour, ideal for salads.

CONQUEROR produces an upright, mid sized frame offering protection from the sun.

This variety offers exceptional uniformity and holding ability, allowing for high cut-out rates.

The information provided here is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions, including cultural/management practices, climate, soil type and geographic location. As a consequence South Pacific Seeds (NZ) Ltd cannot accept liability as to accuracy of this information.
