

# GREEN CABBAGE KAMERON

In the Cabaret (Sheraton) class, **KAMERON** is a proven performer offering a highly uniform head of large size and excellent holding for main season harvest.

A drumhead variety for cool season production, **KAMERON** has a large frame and head.

An adaptable variety, at maturity the heads of **KAMERON** are wellfilled with good weight and a sweet flavour.

**KAMERON** has good tolerance to black rot.

The information provided here is based on an average of data and observations collected from our trials. Significant variations may occur in the performance due to a range of conditions, including cultural/management practices, climate, soil type and geographic location. As a consequence South Pacific Seeds (NZ) Ltd cannot accept liability as to accuracy of this information.
